

Naica

luminaire		light source	
finish	silver/transparent	source	LED
code	1510	number of led	66
materials	polymethylmethacrylate, aluminium	power	26W
environment	interiors	energy label	A
mounting location	wall	luminous flux	2.400 lm
emission	indirect and diffused light	colour temperature	2.800 °K
weight	2,6 kg	CRI	≥ 80
ballast	dimnable electronic integrated		
voltage	230V		
insulation class	1		
IP classification	IP20		
certifications	CE 		
design	Luta Bettonica, Mario Melocchi, 2012
